During the past week there has hardly been a day that there was not a call for the police patrol wagon for use as an ambulance, and the need of a modern hospital ambulance was never felt more. A BIG MEETING.

A Proposed Tri-State Republican Ratification Meeting

TO BE HELD AT ROCK POINT,

In Western Pennsylvania-The Meeting the Pennsylvania Lines - West Virginia Expected to Have a Large Representa tion-Governor McKinley May be One of the Speakers-Politicians in Town.

A monster political meeting is on the tapis. Prominent Republicans of Western Pennsylvania, Ohio and West Virginia have united in an effort to bring about a gathering of the party leaders at a mass meeting to be held at Rock Point, forty miles from Pittsburgh, at an early date next month. It is proposed that the Presidential campaign shall be opened on this occasion and that the first big guns of the battle be fired from the "Rocks."

Colonel Sam Moody, assistant general passenger agent of the Pennsylvania lines west of Pittsburgh, left for Cleveland last night as the representative of the party of enthusiasts who are agitat-ing the Rock Point mass meet-ing, says the Pittsburgh Leader. Mr. Moody is a close friend of Senator Quay's and his missof Senator Quay's and his mission to the Forest City has in view a
conference with National Chairman
Mark Hanna and the members of the
executive committee who are now in
consultation there. Mr. Moody is sanguine that the managers of the campaign will take kindly to the project.
It is to be a tri-state affair and has
the backing of the prominent politicians
of each of the three states. A list of
speakers has been prepared and it includes the names of Major McKinley,
Garret A. Hobart, Speaker Thomas B.
Reed, of Maine, Senator Quay, General
Allison, Mark Hanna and several other
distinguished men of the party.

An effort has been made to keep the
movement quiet, but it leaked out
through the departure of Colonel
Moody.
